

Should you support a tax cut in Arkansas?

START

Do you care about abused kids, juvenile justice, paid maternity leave, health care or education? What about building a competitive workforce, infrastructure or saving for a rainy day?

Yes

Fund those things!

Is there any extra money in the budget?

No

Don't cut taxes.

But I wanna

Arkansas is required to have a balanced budget. So, cutting taxes without extra funds means we have to do things like fire teachers and cut libraries.

Not a priority

Cut taxes for low-income working families with an EITC (Earned Income Tax Credit)

Yes

Do you care about helping working families?

I still wanna

No

Oh wow, that was bad

Look it up, it was really bad for families

No

Did you hear what happened when they tried major tax cuts in Kansas?

I agree with the experts

Research it!

No

Did you know most economists agree that upper income tax cuts don't create jobs or economic growth?

...but don't say I didn't warn you when schools fail and we can't afford to take care of foster kids.

Really? Ok, cut taxes for the rich again.

I'm feelin' lucky

Are you willing to gamble with our kids' futures despite the evidence?

It might not happen here

Yes

I disagree with the experts

Yes
